CONSOL Energy Inc. is a Canonsburg-based producer and exporter of high-Btu bituminous thermal and crossover metallurgical coal. It owns and operates some of the most productive longwall mining operations in the Northern Appalachian Basin. Our flagship operation is the Pennsylvania Mining Complex, which has the capacity to produce approximately 28.5 million tons of coal per year and is comprised of 3 large-scale underground mines: Bailey, Enlow Fork, and Harvey. The company also owns and operates the CONSOL Marine Terminal, which is located in the port of Baltimore and has a throughput capacity of approximately 15 million tons per year. In addition to the ~735 million reserve tons associated with the Pennsylvania Mining Complex, the company also controls approximately 1.6 billion tons of greenfield thermal and metallurgical coal reserves located in the major coal-producing basins of the eastern United States. Additional information regarding CONSOL Energy may be found at www.consolenergy.com.

CONSOL Coal Resources is a master limited partnership formed in 2015 to manage and further develop all of CONSOL Energy, Inc.'s (NYSE:CEIX) active coal operations in Pennsylvania. CCR's assets include a 25% undivided interest in, and operational control over, the Pennsylvania mining complex, which consists of three underground mines - Bailey, Enlow Fork and Harvey - and related infrastructure. For its ownership interest, CCR has an effective annual production capacity of 7.1 million tons of high Btu North Appalachian thermal coal. More information is available on our website www.ccrpl.com.
