

CEIX to Hold Virtual Annual Meeting of Stockholders

CANONSBURG, Pa., April 27, 2020 /PRNewswire/ -- CONSOL Energy Inc. (NYSE: CEIX) announced today that, due to the public health concerns associated with the ongoing coronavirus outbreak ("COVID-19") and to support the health and well-being of its stockholders and partners, the location of the 2020 Annual Meeting of Stockholders (the "Annual Meeting") of CONSOL Energy Inc. (the "Company") has been changed. The previously announced date and time of the Annual Meeting (May 8, 2020 at 8:00 a.m., Eastern Time) will not change. However, the Annual Meeting will be held solely by remote communication, in a virtual-only format, and stockholders will not be able to attend the Annual Meeting in person. As described in the proxy materials previously distributed in connection with the Annual Meeting, stockholders of record of our common stock as of the close of business on March 11, 2020, the record date (the "Record Date"), are entitled to participate in the Annual Meeting.

To access the virtual Annual Meeting, please go to www.meetingcenter.io/269189195. To login to the virtual Annual Meeting you have two options: (1) join as a "Guest" or (2) join as a stockholder with a control number. If you join as a stockholder with a control number, you will be required to have a control number and password. The password for the virtual Annual Meeting is CEIX2020. Stockholders may vote their shares and ask questions during the virtual Annual Meeting by following the instructions available on the virtual Annual Meeting website during the virtual Annual Meeting. However, we encourage all stockholders of record to vote in advance of the virtual Annual Meeting to ensure a quorum.

Registered Holders: If you were a holder of record of the Company's common stock on the Record Date (i.e., you held your shares in your own name as reflected in the records of our Transfer Agent, Computershare), you can attend the virtual Annual Meeting by accessing the website listed above and entering the 15-digit control number found on your proxy card and by entering the password listed above. Once admitted to the virtual Annual Meeting by following these instructions, registered holders may ask questions and vote during the virtual Annual Meeting.

Beneficial Holders: If you are a beneficial stockholder and hold your shares through an intermediary, such as a bank or broker, you must register in advance to attend and vote during the virtual Annual Meeting. To register, you must obtain a legal proxy by contacting your account representative at the bank, broker or other nominee that holds your shares and submit an email from your broker or an image of your legal proxy reflecting your CONSOL Energy Inc. holdings, along with your name and email address, to Computershare at legalproxy@computershare.com. **Requests for registration must be labeled as "Legal Proxy" and be received no later than 5:00 p.m. (Eastern Time) on Tuesday, May 5, 2020.** You will receive a confirmation email from Computershare confirming your registration and providing a control number to enter the virtual Annual Meeting as a stockholder. At the time of the virtual Annual Meeting, beneficial shareholders can visit the website listed above and enter the control number provided to them by Computershare and the password listed above to enter the virtual Annual Meeting. Once admitted to the virtual Annual Meeting by following these instructions, beneficial holders may ask questions and vote during the virtual Annual Meeting.

If you do not have a control number, you may attend the virtual Annual Meeting as a guest, but will not have the option to vote your shares or ask questions during the virtual Annual Meeting.

Help and technical support for accessing and participating in the virtual Annual Meeting is available before and during the virtual Annual Meeting at <https://support.vevent.com/>. We encourage you to log on to the website for the virtual Annual Meeting 15 minutes prior to the start time of the virtual Annual Meeting.

A list of stockholders entitled to vote at the virtual Annual Meeting shall be available on the website for the virtual Annual Meeting during the virtual Annual Meeting for inspection by stockholders who have a control number for any legally valid purpose related to the virtual Annual Meeting.

It is important that you read the proxy materials previously distributed. Whether or not you plan to participate in the virtual Annual Meeting, we urge you to vote and submit your proxy in advance of the virtual Annual Meeting by one of the methods described in the proxy materials for the Annual Meeting. The proxy card included with the proxy materials previously distributed will not be updated to reflect the change in location and you may continue to use the proxy card to vote your shares in connection with the virtual Annual Meeting, whether or not you intend to participate in the virtual Annual Meeting. If you have already voted, you do not need to vote again unless you would like to change or revoke your prior vote on any proposal. If you would like to change or revoke your prior vote on any proposal, please refer to the proxy statement for instructions on how to do so.

About CONSOL Energy Inc.

CONSOL Energy Inc. (NYSE: CEIX) is a Canonsburg, Pennsylvania-based producer and exporter of high-Btu

bituminous thermal and crossover metallurgical coal. It owns and operates some of the most productive longwall mining operations in the Northern Appalachian Basin. Our flagship operation is the Pennsylvania Mining Complex, which has the capacity to produce approximately 28.5 million tons of coal per year and is comprised of 3 large-scale underground mines: Bailey, Enlow Fork, and Harvey. The company also owns and operates the CONSOL Marine Terminal, which is located in the port of Baltimore and has a throughput capacity of approximately 15 million tons per year. In addition to the ~669 million reserve tons associated with the Pennsylvania Mining Complex and the ~21 million reserve tons associated with the Itmann project, the company also controls approximately 1.5 billion tons of greenfield thermal and metallurgical coal reserves located in the major coal-producing basins of the eastern United States.
